<p>How does this year deliver your curriculum intent?</p>	<p>In the second year of this GCSE course you will contribute and invest as a confident future professional to create work independently. Your aspirational work will reflect issues within different cultures and show an emotional awareness of our society. Further, you will be supported to develop on your key strengths in their personal investigation. The work you create over this year will contribute to your portfolio of work you will submit as part of your GCSE evidence file.</p>
