How does this year deliver your
curriculum intent?

Student need to have enough time and opportunity to complete their NEA which is 50% towards their GCSE. It is important that student then have enough time to go through the revision section and get ready for their upcoming exam. The Exam section is the area which student struggle so need enough time and preparation leading up to this.

Our Intent is to deliver all 3 sections on the exam specification in detail covering all the key areas of study in the exam specification.
