How does this year deliver your curriculum intent? What does the end of year assessment look like?		<p>Students will be consistently developing their performance skills; voice & physicality, audience awareness, sustaining a role. They will engage with a range of stimuli to develop critical and creative skills; adopting many roles, taking part in improvisation & script work, using various drama forms & strategies effectively to explore and present ideas. They will explore multiple facets about different cultures, societies and histories, constantly making connections between those different to your own. At the end of the year students will be assessed on their subsidiary & disciplinary knowledge. A practical & theoretical assessment will take place during lessons, which will focus on knowledge and understanding of units covered.</p>
