Exceptional Experiences. Successful Lives.

Our Vision

The Sixth Form Performing Arts Scholarship aims to deliver exceptional experiences, enabling all scholars to thrive in a competitive environment and lead successful and fulfilling lives.

The Performing Art Scholarship programme offered at The Sixth Form Partnership is a specialist 16-18 programme delivering opportunities and development to aspiring artists, performers, choreographers, writers, producers and technical operatives, all whilst studying at a highly successful Sixth Form.

All students on the scholarship programme undertake A-level and/or applied subjects during the course, with further possibilities to gain industry recognised qualifications.

Scholars will access a high level of quality provision within the Performing Arts sector working with individuals who are currently involved or have previously worked in their chosen areas of specialism. The Performing Arts Scholarship provides students with a fantastic opportunity to flourish and further develop their knowledge and skills in the Performing Arts Industry or progress onto further education at degree level in the Performing Arts sector.

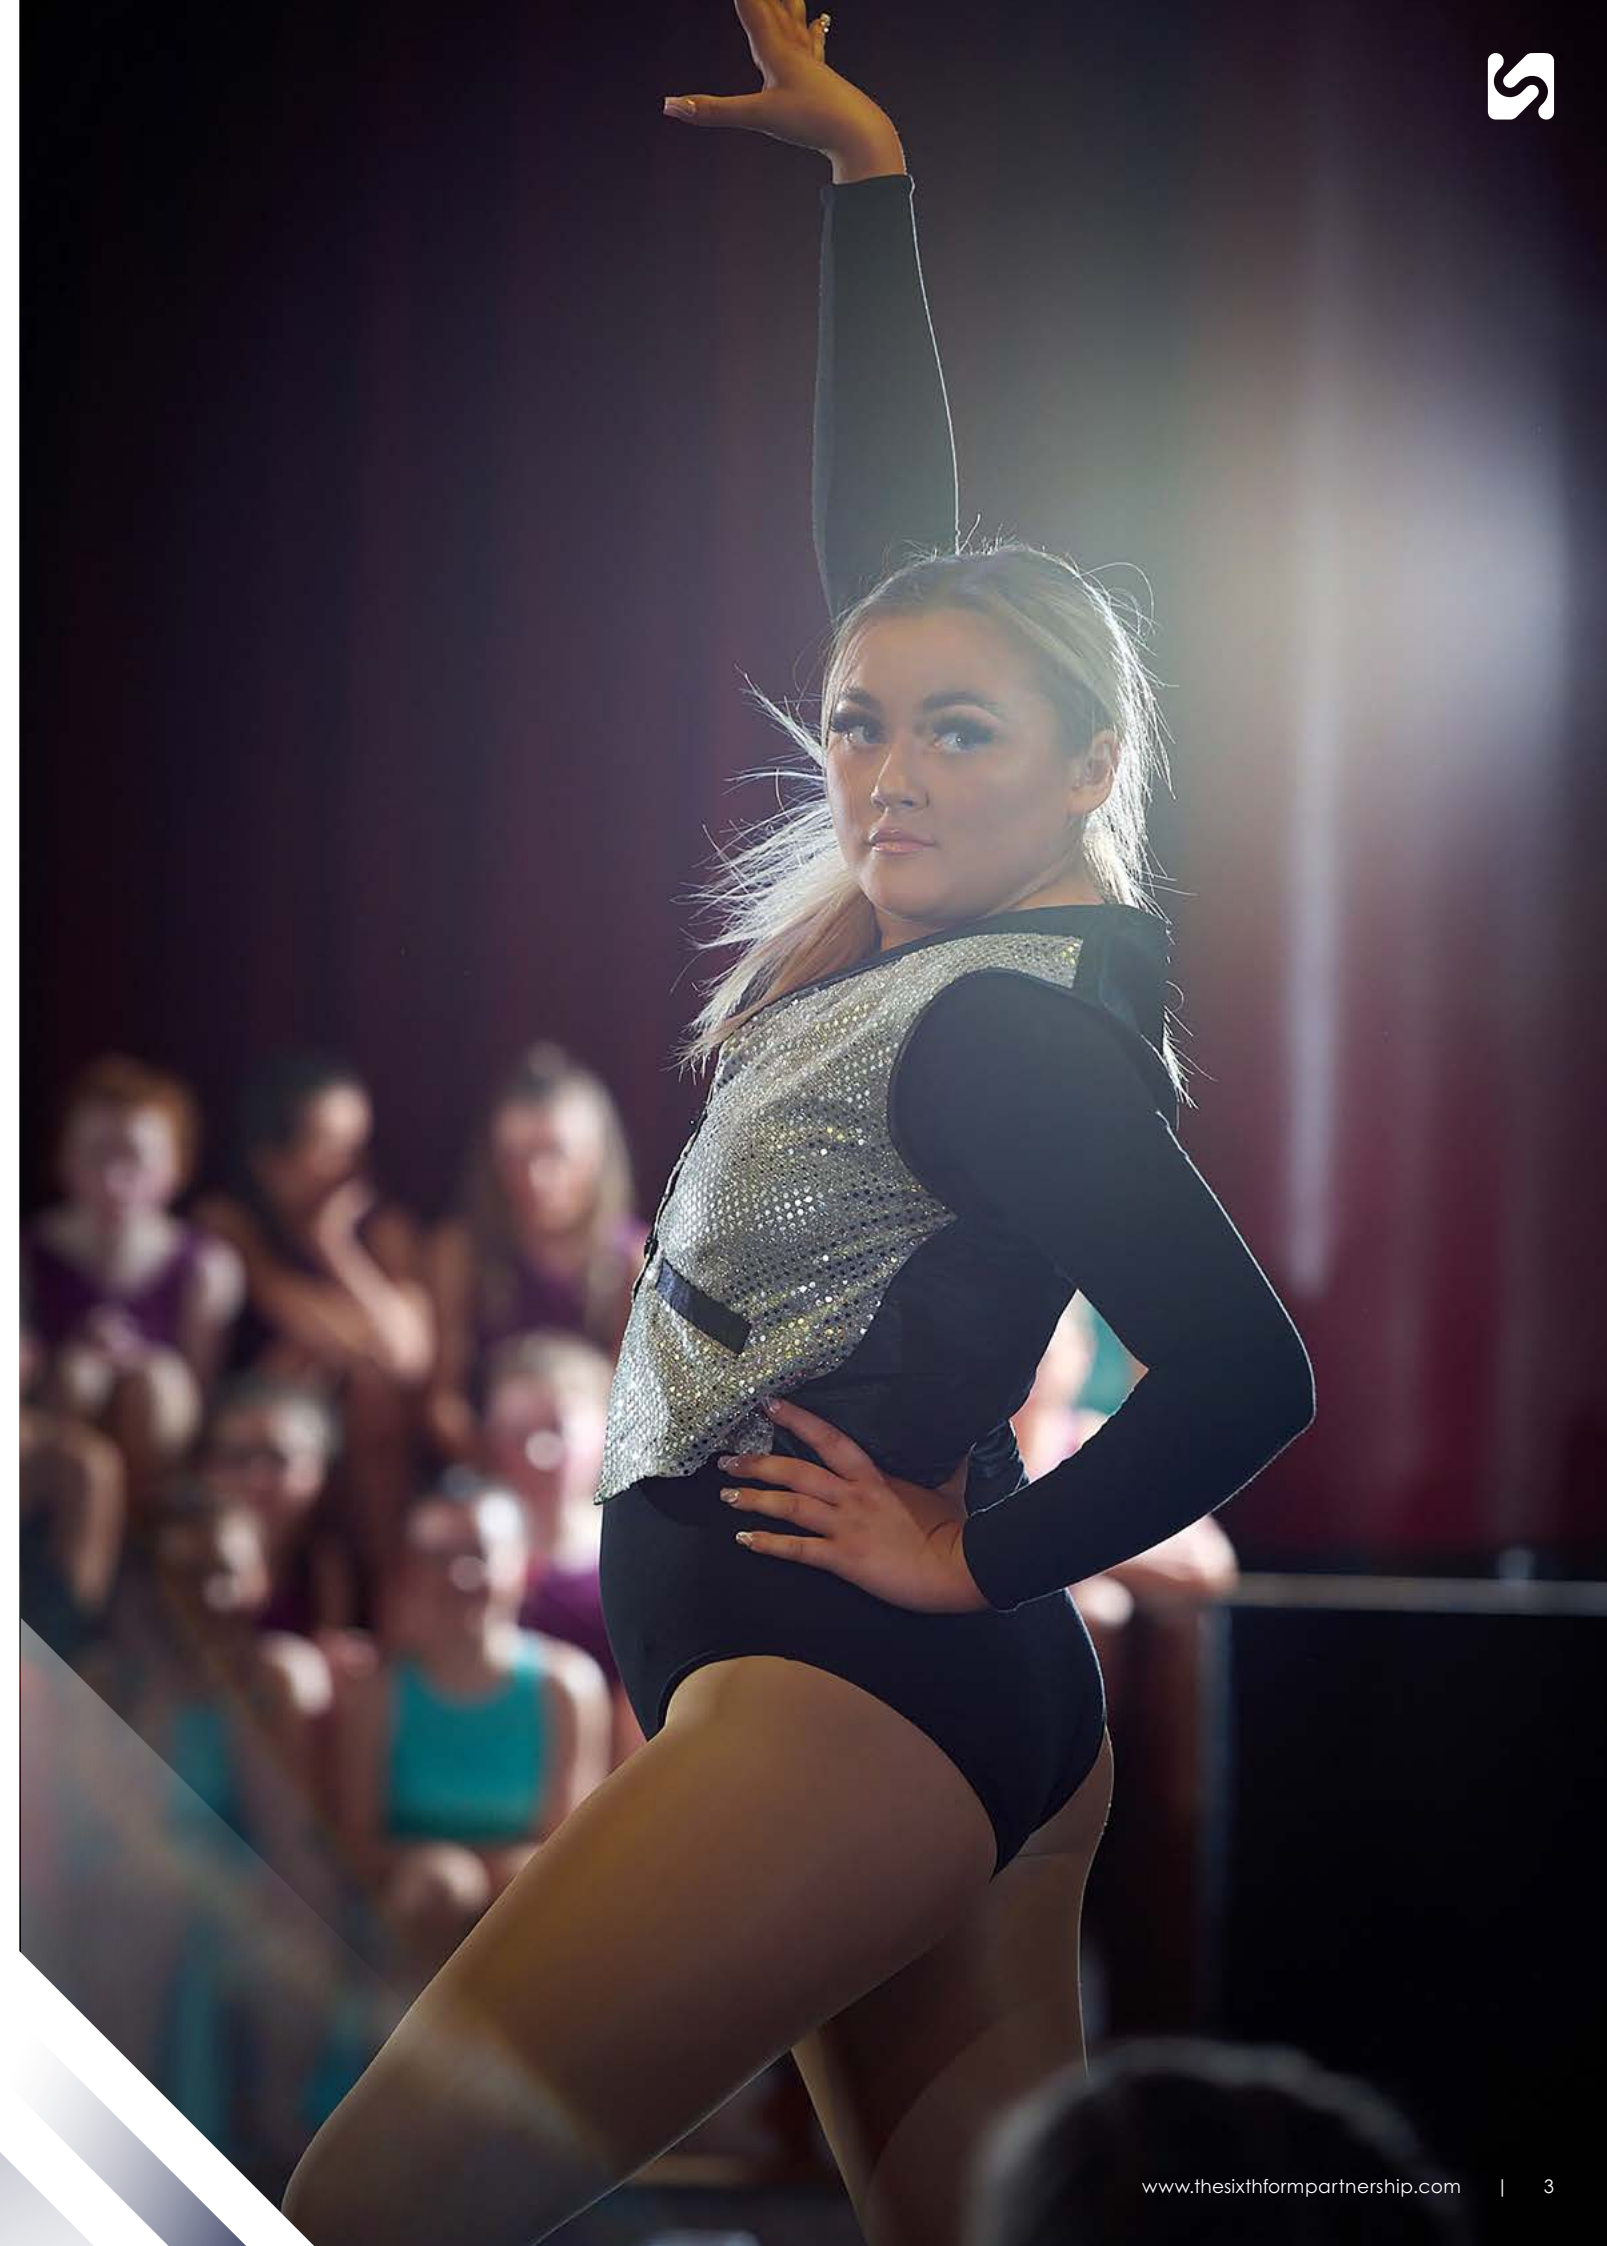

“The scholarship provides world class tuition and development in all of the various pathways in the Performing Arts sector.”

Dance

The Programme

The Dance Programme is designed to provide students with a practical and theoretical understanding of dance technique, education and industry. Although it is a very practical course, there are elements of theory in all units. The Performing Arts Scholarship is for students who actively want to be a part of the performing arts industry and have an interest in dance as a potential career pathway.

The units and assignments in the Performing Arts Scholarship are tailor-made to guide students in gaining experience of the specific roles within the dance industry. The programme is a positive progression in preparation for higher education or a professional setting.

Students are required to have previously undertaken some form of dance training, whether that be in school or through a private dance school. Students must be open minded and resilient, with a positive attitude towards learning new styles and concepts. It is important, all students have a clear understanding of dance technique, performance, and be prepared for all aspects of the scholarship.

“This programme is designed to provide students with a practical and theoretical understanding of dance techniques, education and industry.”

Drama

The Programme

The Drama Programme is designed to provide students with a practical and theoretical understanding of drama, theatre, and the industry.

Although it is a very practical course, there are elements of theory that will deepen individuals' dramatic understanding. The Performing Arts Scholarship is for students who actively want to be a part of the performing arts industry and have an interest in drama as a potential career pathway. The course covers a range of transferable skills such as teamwork, confidence, public speaking, time management and empathy, which are vital for any career path.

Drama scholars study and engage in the Drama enrichment workshops alongside other A-Level and/or applied subjects.

The units in the Performing Arts Scholarship allow students to develop their knowledge and skills as an actor, designer and director. Students will also have the opportunity to gain in-depth industry experience in directing others and performing in a number of productions to a paying audience.

The Performing Arts Scholarship does not require students to have previously completed any formal training or have any previous drama experience. However, the programme requires students to be passionate about drama and understand the requirement to perform in front of an audience, and be open to working as part of a team. Students need to be open minded and resilient, with a positive attitude towards learning new styles. Students must also be prepared to attend evening rehearsals and performances.
