How does this year deliver your curriculum intent?	<p>Student investment in English is secured through studying a range of literary texts, including a 19th century novel, a Shakespearean tragedy, a modern drama and a range of post-1789 poetry. Alongside these core texts, students' study of English is complemented by a range of illuminating texts, including poetry, fiction and non-fiction extracts, which develop the knowledge and skills students require to become successful, instinctive and invested readers and writers.</p>
