<b>Half Term 6</b>	Week 33	Week 34	Week 35	Week 36	Week 37	Week 38	Week 39			
	Final Examinations									

How does this year deliver your curriculum intent?

Y11 Students will study Unit 1 for their WJEC ICT Qualification. This on screen exam can be taken once by students at the end of the academic year and contributes 40% to a students' final grade. Whilst covering the content, students will be able to reflect on real life examples to develop their awareness of the role that modern technology plays on every day routines. Students will be given an opportunity to return to prior learning and spend the final half-term revising and consolidating their understanding of these topics before the exams to allow students to be confident of achieving their true potential.
