How does this year deliver your curriculum intent?

Year 13 begins with a series of lessons enhancing students knowledge ready for their NEA. An introduction to the start of Component 3. Throughout the first two terms students will have regular check ins and deadlines to meet. Ready for a April hand in to STWA and external deadline in May. Component 2 will be delivered during Term 1. In Term 2 students will have refresher lessons focusing on the content of Component 1 to recall Year 12 work and intermittent refreshers of Component 2. Subsequent lessons in HT5 will focus on closing gaps and exam practice to ensure students.
