How does this year deliver your curriculum intent?	Student investment in English is secured through studying a range of literary texts, including a Shakespearean tragedy, a modern drama, a 19th century novel and a range of post-1789 poetry. Alongside these core texts, students' study of English is complemented by a range of illuminating texts, including poetry, fiction and non-fiction extracts, which develop the knowledge and skills students require to become successful, instinctive and invested readers and writers.
