How does this year deliver your curriculum intent?

This is the first year of study towards the geography GCSE, focusing primarily on Paper 1. The course is jam packed with challenging and engaging topics that will expand your geographical understanding to enable you to access the highest GCSE grades. Each module is designed to ensure that students apply their knowledge and skills to complex physical and human milieu. Assessments will be challenging, and your teacher will carefully guide you by providing clear scaffolds to ensure that you can apply your knowledge to unfamiliar stimulus material. There will be lots of opportunities to apply your knowledge to exam style questions to build your confidence in exam technique.
