<b>Half Term 6</b>		Global Hazards: What factors affect hazard risk?			Decision Making Exercise				

<p>How does this year deliver your curriculum intent?</p>	<p>The year nine geography curriculum is a highly challenging and engaging course that prepares students for the rigours of study at key stage four. Students study a variety of knowledge-rich modules that encompass a range of geographic concepts and skills. This final year of key stage three study ensures that all students are well-prepared to gain the highest grades at GCSE, and allows students to develop cross-curricular links with science, maths, and English. The units covered will ensure KS4 readiness and you will become a world class geographer in preparation for GCSE.</p>
