How does this year deliver your curriculum intent?

Students will know and understand how values/standards of care are delivered to clients, through carrying out interactions with clients, demonstrating their work-ready skills. Students will have applied their knowledge to different contexts within health and social care provision. Students will know and understand the different levels of service provision and the professionals who work within these to treat clients. Students will know where these levels of service provision are in their locality. Students will also have developed their research and extended writing skills in order to meet their assignment deadlines.
