	Revision					Paper 1 Exam				
Half Term 6	Week 33	Week 34	Week 35	Week 36	Week 37	Week 38	Week 39			
	Paper 2		Paper 3							

<p>How does this year deliver your curriculum intent?</p>	<p>Student inquisitiveness of the world around them is driven through the investigation of theoretical and research concepts whilst allowing students the opportunity to examine and analyse different perspectives, and psychological concepts. This year students will become proficient in critiquing research and theories, debating opposing explanations to behaviour and unpicking research. Students will see the application of psychological ideas and research to policy development and society in general.</p>
